

F.No 26-1/2018-NVS (Trg)

Dated : 12.03.2018

1. The Deputy Commissioner
Navodaya Vidyalaya Samiti
All Regional Offices
2. The Director
All Navodaya Leadership Institutes
3. The Principal
All Jawahar Navodaya Vidyalayas

Sub:- Training Calendar for the year 2018-19- reg.

Sir/Madam,

The Annual Training Calendar of Samiti for the year 2018-19 has been prepared and a copy is enclosed for your ready reference.

In this regard, following points may please be noted:

1. Nominations for specialized training programmes included in **Part- A** would be made by Training Wing at NVS(HQ) after getting the nominations from all regions.
2. Training programme in **Part- B** would be organized by Navodaya Leadership Institute. Nomination would be submitted to concerned NLI by the Regional Offices with the contact details of trainees.
3. Training Programme in **Part – C** would be organized by Regional Offices. Nomination of participants for these programmes may be made in consultation with Principals of the Vidyalayas.
4. Regional Offices may conduct other need based Training Programmes for teaching & non-teaching staff in addition to the programme mentioned in **Part- C**. However, training programmes scheduled for NLIs may not be repeated by Regional Offices.
5. Since Samiti is spending considerable amount of resources on training of teachers and staff, it must be made mandatory for all nominated candidates to attend the training. If any staff represents for exemption from the scheduled training, he/she has to represent well in advance to the Competent Authority, the same may be considered by the competent authority and replacement may also be arranged by the same office. In respect of staff up to PGTs, Principals have to recommend the case with justification to the cluster-in-charge, who may be the competent authority to replace the participant. In respect of Principal and Vice Principal, the recommendation is to be sent by the Cluster-in-charge to the Deputy Commissioner who will be the competent authority to replace the trainee on need basis. In any case the exempted individuals shall be deputed to the next available slot to complete the required training. This shall be the responsibility of authority exempting any individual from particular training in advance consultation with the training venue. This is applicable only when the intimation is given by the staff well in advance with supporting documents.

All such correspondences are to be made through e-mail only, to save time as well as to plan for replacement. However, these mails may be confirmed later on.

6. The financial loss to the organization may be recovered from abstaining staff with the approval of Deputy Commissioner, Regional Office in respect of the staff who abstain themselves from the training without any intimation and disciplinary action as deemed fit shall be initiated by the competent authority.
7. It would be necessary to nominate officials for various training programmes at least three months in advance so that the candidate can make necessary arrangements. The list of such nominated candidates shall be uploaded at RO/NLI website at least 45 days before the scheduled training.
8. All efforts should be made not to repeat the same participant for different courses unless his/her specific requirement is examined, so that others can avail the opportunity of training.
9. The instructions for participants issued from NLI should be conveyed to them by RO well in advance through e-mail followed by detailed guidelines & pre-training material to each trainee.
10. Trainees should not report at NLIs/venues along with their spouses and children as no accommodation and other arrangements for their family members are available at NLI additionally. In case trainees report with family at NLIs, they will not be allowed to attend the training. However, required support in respect of severely disabled trainees will be worked out by NLI on case to case basis.
11. At least 30% resource persons should be amongst practicing expert teachers, Vice Principals, Principals from NVS. Expertise in the subject with training aptitude may be one of the criteria in selecting internal resource persons.
12. 40% weightage in induction course should be given to content enrichment, teaching-learning strategies, teaching learning modalities & demonstration lessons.
13. The training programme should be evaluated at different stages during and after the training. The common stages are : pre training evaluation, ongoing evaluation during the programme, post training evaluation and follow up after the training in the field situation. This indicates that training venue shall have complete details of the participation of the trainees and impact on the system after training. Appropriate details on this shall be reflected in the ERP platform (Shaala Darpan) for future support. Details on this will be communicated shortly, till then venue shall maintain its own data base.
14. The quality of inputs and organizational strategies shall be carefully designed, delivered and maintained by the organizer irrespective of the training being organized at NLI or Regional Office.
15. After the conduct of training programme, brief course report having content as per **annexure 'A'** is to be submitted to training Wing of NVS HQ only in soft copy within 10 days of completion of training. Course report of every training should be prepared and placed on the Website for future reference of trainees and others.
16. Entire correspondence in respect of training should be maintained on e-mail only.

All training programmes may be organized as per this Training Calendar. Any change in the schedule of any programme may be made only with prior approval of Training Wing of NVS (Hqrs).

This issues with the approval of the Competent Authority.

Yours faithfully,

(Gynendra Kumar)

Assistant Commissioner (Trg)

Encl: As above

Copy to:- The AC (IT), NVS HQ - for uploading the same on the official Website of the Samiti.
